Donor Privacy Statement

The Palos Verdes Peninsula Education Foundation will always make the best efforts to protect the privacy of our donors. We hold all donor information in strict confidence and will not trade, share or sell any donor's personal information obtained online or offline to any other organization nor send donor mailings on behalf of other organizations. Employees and volunteers who have access to donor information will sign a confidentiality agreement annually. We will only use your information to contact you regarding your donation, update you on our progress, and inform you of any upcoming Palos Verdes Peninsula Education Foundation related events or fundraising campaigns. Your name will be taken off any and all internal lists if you provide such a written request.

We will publish an annual donor listing. Each annual donor listing will give the names of every individual, organization, and other entities that contributed funds during the previous fiscal year. We will not report how much was given but may report on general levels of giving. If you choose and provide a written request, we will not put your name or your organization's name in our annual report, or any other donor listing.
