

Summer Elementary Enrichment Classes 2024

at Cornerstone Elementary

Weeks 1 - 4 (June 17 - July 12) *Student enrolls in one class for all 4 weeks*

Neverland Unveiled: A Journey into Theatre with Peter Pan - 4-week session;

Join us for an unforgettable journey into the magical world of theatre this summer! This four-week Theatre Camp is the ultimate platform for your child to unleash their creativity and shine on stage. From developing the art of acting, singing, and dancing to crafting mesmerizing props, students will be guided through every aspect of theatre production. Immerse yourself in the timeless tale of *Peter Pan* as our young actors bring this enchanting story to life with their newly honed talents. Mark your calendars for July 12, 2024, when our talented cast will dazzle audiences with a spectacular performance of *Peter Pan*, showcasing the culmination of their hard work and dedication. Don't miss this opportunity for your child to experience the magic of theatre and create memories that will last a lifetime. Sign up now and let their imagination take flight! *Students will need to purchase their own costume for the performance. **Grades 3-5**

Hello! I'm Mrs. Cartwright, and I'm thrilled to share my passion for the performing arts with your child. With 22 years of dance experience and a decade immersed in the world of musical theater, I bring a wealth of knowledge and creativity to the stage. My approach to producing and directing school plays is anything but conventional—I firmly believe in putting students at the forefront of the creative process. Together, we explore and unleash their imaginations in a safe and nurturing environment, where confidence flourishes. As a compassionate and proud teacher at Cornerstone Elementary in PVPUSD, I've had the joy of guiding numerous young talents on their theatrical journey. It's my honor to serve as a trusted mentor, helping each child discover the magic and joy of theater production and performance. Join us, and let's create unforgettable memories together on stage!

Price for all four weeks: \$1000

Weeks 1 & 2 (June 17 – June 28) or Weeks 3 & 4 (July 1 – July 12)

PVSG Jr. Farmers: Sunflowers, Seeds, Stewardship and STEAM - 2-week session

Explore the school farm through hands-on scientific fieldwork, seasonal culinary preparations and nature-based art, while building a STEAM skillset. Campers will plant, grow, cook, compost and create while immersed in the practice of the scientific process. The garden becomes a living, learning laboratory for our environmental stewards, through the lens of the vibrant outdoor classroom. Our Farmer-Chef instructors, Clorissa and Pati, will show campers how to harvest fresh fruits, vegetables, and herbs from our own edible garden for every class. Jr. Farmers will be awakened to new tastes, learn new culinary techniques, and use local seasonal produce to prepare recipes from cuisines around the world, while learning how nutrition, math, science, art, and history can be discovered on their plate. Bring a reusable water bottle, sun hat and sunscreen as we will be working outside in full sun. Please note on the Registration Form any dietary needs or restrictions. Class fee for the session includes healthy snacks, hydrating drinks, and a student prepared lunch. **Grades K - 5**

Price for two-week session: \$700

Sunshine and Scissors - 2-week session

Create a unique, personalized scrapbook to preserve your special summer memories with Ms. Crouthamel! Fun and engaging lessons to include Canva for kids, photography, journaling and making captions, effective organization skills, custom greeting cards, stickers, and more! **Grades 2 - 5**

Price for two-week session: \$500

Week 1 (June 17 - June 21)

Musical Marvels: Adventures in Composing & Recorder Magic for Elementary Maestros

Embark on a melodic voyage with "Musical Marvels: Adventures in Composing & Recorder Magic for Elementary Maestros" this summer! This dynamic and engaging class, led by Mrs. Perry is specially crafted for young music enthusiasts eager to explore the realms of composition and recorder playing. Whether you're a beginner or already know how to play, everyone is welcome! Get ready to unleash your creativity as we delve into the art of crafting original tunes. Students will experience the thrill of creating their very own music and bringing it to life on the recorder. Our journey will be filled with fun, discovery, and the joy of making harmonious melodies uniquely our own. Join Mrs. Perry for an unforgettable experience where musical marvels come to life!

Grades 2 – 5

Price: \$200

School of Rock and Pop - Singing and Stage Solo Performance

Dapplegray, Cornerstone, and Montemalaga Elementary School's Music Teacher Ms. Anderson, welcomes your child back again this summer for dedicated attention in the area of performance on the stage!

We will learn:

1. how to sing and speak confidently in a microphone on stage
2. vocal technique
3. how to choose songs for auditions that suit our voices- and choose 2 to perform
4. how to work with others while singing simultaneously/ harmony/ direction
5. and have fun and build upon each week with each other!

Students may enroll for 1 week or all 4. I am accustomed to adjusting accordingly to the desires and personal aspirations of each student- the main goal of this course is to inspire and encourage music confidence on the stage. Handheld wireless microphones will be available for purchase for \$25 on the first day of class if child does not already own a personal microphone. **Grades 2 – 5**

Price: \$200

"Let's Go PV" Cheer Workshop by electriKIDS

Come celebrate your school spirit! Learn cheers, chants, and songs that highlight your team. We'll paint banners and decorate bullhorns with your school colors. High-energy cheer dances and basic stunts round out the experience. We'll finish the workshop with an exciting pep rally! **Grades 1 - 5**

Week 1 only!

Price: \$225

LEGO Learning

Hands-on learning in an engaging and collaborative environment with Mr. Kono! Students use LEGO bricks and tools to solve problems creatively and to excel at working with others and thinking critically. They will build models using a hands-on learning approach that actively involves students in their own learning process. This class will deliver play that's fun, educational, and enriching for each child. **Grades K - 5**

Price: \$200

All Sports!

Join us for an action-packed summer adventure with Coach Daley, our enthusiastic PE teacher! Dive into a world of ever-changing sports surprises where each day brings a new game to master. From soccer showdowns to basketball bonanzas, thrilling pickleball matches, and everything in between, get ready to play, learn, and have a blast with friends! Let's make this summer unforgettable with games that keep you on your toes! **Grades K - 5**

Coach Daley is a seasoned PE teacher with 13 years of experience at Peninsula High and an additional 4 years focusing on elementary school education. He specializes in coaching boys' soccer, flag football, and lacrosse, holding a Master's degree in Coaching and Athletic Administration. He is a certified personal trainer and soccer coach, and also leads strength and fitness classes and wellness programs at Peninsula High. Coach Helmrich is an experienced PE teacher with 17 years of expertise at Peninsula, excelling as a swim, surf, and water polo coach. He holds a Master's degree in Coaching and Athletic Administration and also teaches strength and fitness classes. He is dedicated to fostering athletic excellence and overall wellness among students.

Price: \$200

Yoga, Sound, Meditation, & Art

Students will learn yoga poses and meditation in a fun and interactive way. Each day we will incorporate books, music, games, physical activities, and an art project! Research has shown that yoga can improve focus, memory, self-esteem, academic performance, and classroom behavior, as well as reduce anxiety, stress, depression, and hyperactive behavior in children. By incorporating meditation into their daily routine, your child will have the opportunity to tap into this valuable skill at a moment's notice to help them find peace and quiet whenever they need it. Yoga is a fantastic tool to teach children about the world, nature, their mind, their emotions, and their bodies! **Grades K -2**

Price: \$240

Alisa Wright is a veteran teacher of 24 years, including many years working with UC Irvine developing math and science curriculum, training teachers, and leading STEM programs. She has a MA in Education and is also a 200 RYT yoga teacher and certified Sound Therapist

Art & Science (Sculpture) by Afi with Draw Dreams

*Uncover the scientific principles behind art as we delve into the realm of sculpture. Through sketching, color theory, and chemistry, participants will learn to sculpt and mold their imaginations into tangible forms. From understanding the composition of materials to the magic of color interactions, this week promises a blend of creativity and scientific discovery. Join us for an enriching summer where creativity knows no bounds! Whether you're a seasoned artist or just beginning your creative journey, our Art Enrichment Classes offer a supportive and inspiring environment for all. Unlock your imagination, explore new techniques, and let your creativity flourish in the company of fellow art enthusiasts. Sign up now and let the adventure begin! **Grades K – 5***
