

PEF Fall Enrichment Classes 2024

Beginning Week of September 9, 2024

Ending Week of November 11, 2024

(Make-Up Week: November 18, 2024)

Cornerstone Elementary School

Mondays

Chess at Cornerstone (Grades K-5)

Enhance your student's strategic thinking and concentration with our Chess Program! We turn learning chess into an exciting adventure with engaging stories, fun dances, and catchy songs. Each participant receives a special Academic Chess workbook, earns rewards for good sportsmanship, and shines in a thrilling final-day tournament where everyone wins a prize. Our program boosts critical thinking, problem-solving, and mental discipline while ensuring lots of fun. All skill levels are welcome. For more information, email losangeles@academichess.net.

\$270

Tuesdays

Inhale/Exhale: Yoga & Art Studio with Mrs. Catlin & Ms. Kelly Using the Breathe and Learn Curriculum (Grades K-5)

Experience the magic of movement and creativity in this enchanting class! Through playful yoga poses and engaging art projects, students will build strength, balance, and flexibility while exploring their artistic sides. Each session blends relaxing yoga with imaginative art activities, promoting mindfulness, self-expression, and fun. This class offers a unique opportunity for kids to enhance their well-being and unleash their creativity.

\$260

Creative Junk Jamboree: Upcycle and Craft Your Own Junk Journal with Ms. Crouthamel (Grades 2-5)

Join us for a "Creative Junk Jamboree," where imagination knows no limits! In this hands-on workshop, students will dive into upcycling, turning everyday items into unique and colorful creations. From old magazines to discarded fabrics, we'll explore how to give new life to items that might otherwise be tossed. Each student will also create their own "junk journal," filled with personalized pages. This is a fantastic opportunity for young creators to unleash their creativity, learn about sustainability, and take home a one-of-a-kind journal that tells their own special story.

\$225

Wednesdays

LEGO® Animation with Mr. Kono (Grades 3-5)

Step into the thrilling world of LEGO® Animation! In this wonderfully creative class, students will bring their imagination to life by creating dynamic stop-motion movies with LEGO® bricks. They'll dive into scene setting, collaborate on creative projects, and learn to use stop motion technology in a fun and supportive environment. Bring your own device with the free version of Stop Motion Studio installed

and get ready for an adventure in animation. Sign up now and watch your student's creativity soar to new heights!

\$225

Thursdays

American Sign Language (ASL) with Ms. Catlin (Grades 3-5)

Open the door to a new way of communicating with our Sign Language classes designed for 3rd to 5th graders! These lively and interactive sessions will guide young learners through the basics of sign language. They'll get to know the alphabet, explore fun themes like colors and greetings, and practice signing simple phrases. Taught by a certified interpreter with over 40 years of experience, this class promises an engaging and enriching experience. Watch as kids embark on an exciting journey into the world of sign language and discover the joy of connecting in a new way!

\$200

Fridays

Lacrosse Skills & Fun for All Levels with Spring Training (Grades 1-5)

Grab a lacrosse stick and dive into the fastest-growing sport in Palos Verdes and across the country! Coach Marissa Hewitt (PVHS, Beach Head Lacrosse, Spring Training Sports) and her exceptional staff will guide students in throwing, catching, cradling, mastering stick skills, and scrimmaging by the end of the session. All drills and activities are designed to prioritize player safety, maximize repetitions, and ensure FUN! While lacrosse is one of our country's oldest sports, it is also the newest addition to the LA28 Olympics. PLAY HARD, HAVE FUN, and discover why so many are raving about lacrosse! No experience or equipment needed.

\$300

Dapplegray Elementary School

Mondays

Lacrosse Skills & Fun for All Levels with Spring Training (Grades 1-5)

Grab a lacrosse stick and dive into the fastest-growing sport in Palos Verdes and across the country! Coach Marissa Hewitt (PVHS, Beach Head Lacrosse, Spring Training Sports) and her exceptional staff will guide students in throwing, catching, cradling, mastering stick skills, and scrimmaging by the end of the session. No experience or equipment needed.

\$300

Tuesdays

Chess at Dapplegray (Grades K-5)

Enhance your student's strategic thinking and concentration with our Chess Program! We turn learning chess into an exciting adventure with engaging stories, fun dances, and catchy songs. Each participant receives a special Academic Chess workbook, earns rewards for good sportsmanship, and shines in a thrilling final-day tournament where everyone wins a prize. Our program boosts critical thinking, problem-solving, and mental discipline while ensuring lots of fun. All skill levels are welcome. For more information, email losangeles@academichess.net.

\$270

Wednesdays

Welcome Spanish! (Grades K-5)

Discover the joy of learning Spanish in our fun and engaging class! Students will explore Spanish through interactive games, festive crafts, story time, and songs. The Welcome Spanish! curriculum integrates auditory, visual, and kinesthetic learning styles to engage every student effectively. Kids will enhance their Spanish skills with activities like Bingo and Simon Says. Consistent practice and exposure will help students improve and gain proficiency. New and returning students are welcome to join the fun!

\$300

Thursdays

Learn, Build, & Play with Legos (Grades TK-2)

Join our LEGO® enrichment class where students will delve into the history and mechanics of their favorite amusement park rides! They'll construct models like the Carousel Swing, Tilt a Whirl, and Loop de Loop while exploring fun physics principles such as G-force and momentum. Lessons will include math concepts like degrees in a circle, making complex ideas accessible and exciting. For those seeking more challenges, advanced "black diamond" models are available. It's the ultimate hands-on adventure with LEGO® bricks!

\$300

Fridays

Colorful Autumn and Culture with Afi from Draw Dreams (Grades K-5)

Discover the rich colors of autumn and explore how they are used in different cultures. Create unique artwork that combines fall's natural beauty with global traditions and festivals. Enjoy drawing, painting, and collaging while discovering how people celebrate autumn around the world. Let your student's imagination soar and make autumn come alive!

\$300

Lunada Bay Elementary School

Mondays

electriKIDS Hip Hop Hoedown with Coach Kristen (Grades K-3)

Discover popular line dances from both the Hip Hop and Country music scenes in this lively class! We'll kick things off with funky moves like the Cha Cha Slide, groove into the Boot Scootin' Boogie, and wrap up with a classic Hoedown. Cowboy boots are optional but add extra fun to the stompin'! Yeehaw!

\$190

Tuesdays

Chess at Lunada Bay (Grades K-5)

Enhance your student's strategic thinking and concentration with our Chess Program! We turn learning chess into an exciting adventure with engaging stories, fun dances, and catchy songs. Each participant receives a special Academic Chess workbook, earns rewards for good sportsmanship, and shines in a thrilling final-day tournament where everyone wins a prize. Our program boosts critical thinking, problem-solving, and mental discipline while ensuring lots of fun. All skill levels are welcome. For more information, email losangeles@academichess.net.

Tuesdays

STEAM: Egg-cellent Engineering with Ms. Nagdev (Grades 3-5)

Dive into a 10-week adventure designed for young innovators! In this program, students will explore the exciting world of engineering and design, guided by New Generation Science Standards. They'll discover the principles of vehicle design, experiment with structure and function, and work in teams to build and test a vehicle to protect an egg-passenger in a crash test. Using Project Lead the Way STEAM kits, this hands-on journey will be full of creativity and problem-solving fun, fostering critical thinking and teamwork. Join us in this educational adventure where creativity meets innovation!

\$225

STEM, LEGOS, Fun! with Ms. Doomey (Grades 1-2)

Join us for hands-on Lego activities! Students will participate in weekly Lego challenges that integrate math, science, coding, and more! Each activity inspires creativity and collaboration along with problem solving. Sign up and let the divergent thinking begin!

\$220

Wednesdays

electriKIDS Hip Hop Hoedown with Coach Kristen (Grades K-3)

Discover popular line dances from both the Hip Hop and Country music scenes in this lively class! We'll kick things off with funky moves like the Cha Cha Slide, groove into the Boot Scootin' Boogie, and wrap up with a classic Hoedown. Cowboy boots are optional but add extra fun to the stompin'! Yeehaw!

\$190

Leadership & Environmental Advocacy Family Workshop with Ms. Nagdev (Grades 3-5)

Our hybrid program is perfect for 3rd to 5th graders interested in becoming environmental leaders. Supporting our District's Community in Action initiative, the class partners with the Surfrider Foundation's Blue Water Task Force. Students and their families will enjoy a beach clean-up, learn about water testing, explore native plants and geology, and participate in engaging lab demonstrations. In class, they'll develop leadership skills and critical thinking, write a persuasive essay, and present their work to our High School Student Environmental Advocacy (S.E.A.) club, inspiring future environmental actions.

Student and Family Dates:

- Sunday, October 20th, Beach Clean-Up & Nature Walk. Malaga Cove Beach, meet at the top of the ramp. 9:00 a.m. to 12:00 p.m.
- Sunday, November 3rd, Lab Testing. Dive'n'Surf Lab, 504 N. Broadway, Redondo Beach. 10:00 a.m. to 1:00 p.m.

Student Classroom Dates:

- Wednesday, October 23 & 30, November 6 from 3:05 - 4:05 p.m.

\$170

Thursdays
