

PEF Winter Enrichment Classes 2025

Beginning Week of January 13, 2025

Ending Week of March 17, 2025

(Make-Up Classes: March 24-March 31, 2025)

Cornerstone Elementary School

Mondays

Lacrosse Skills & Fun for All Levels with Spring Training (Grades K-5)

Grab a lacrosse stick and dive into the fastest-growing sport in Palos Verdes and across the country! Coach Marissa Hewitt (PVHS, Beach Head Lacrosse, Spring Training Sports) and her skilled staff will guide players in mastering the fundamentals of throwing, catching, cradling, and stick skills while having fun and staying safe. Whether you're a beginner or a returning player, you'll develop your game through drills, scrimmages, and personalized coaching. Players will be grouped by experience and skill level, with a minimum of two coaches per session to ensure individual attention. No prior experience or equipment is needed — we provide everything! PLAY HARD, HAVE FUN, and discover why lacrosse is a sport that everyone is talking about!

\$300

Tuesdays

Inhale/Exhale: Yoga & Art Studio with Mrs. Catlin & Ms. Irwin Using the Breathe and Learn Curriculum (Grades K-5)

Combine creativity and movement in this fun yoga class for kids! Through playful yoga poses and engaging art projects, students will build strength, balance, and flexibility while exploring their artistic sides. Each session blends yoga with imaginative art activities, promoting mindfulness, self-expression, and fun. This class offers a unique opportunity for kids to enhance their well-being and unleash their creativity.

\$260

Wednesdays

Draw Your World with Mr. Kono (Grades 3-5)

Take a course in drawing with Mr. Kono! In this fun and hands-on class, students will learn how to transform simple shapes, dots, and lines into amazing drawings of animals, dragons, trains, monsters, and more. The course will also feature a fun map drawing activity where students create their own fantasy world. Whether they're just starting out or already love to draw, this class is perfect for curious artists in grades 3-5 who are ready to explore new ideas and bring their wildest imaginations to life. Grab a pencil and paper, and let's draw!

\$230

Thursdays

SEE – Signing Exact English with Ms. Catlin (Grades 2-5)

Open the door to a new way of communicating with our sign language classes designed for 2nd to 5th graders! These lively and interactive sessions will guide students through the basics of sign language as they get to know the alphabet, explore fun themes like colors and greetings, and practice signing simple phrases. Taught by a certified interpreter with over 40 years of experience, this class promises to be an engaging and enriching experience. Watch as kids discover the joy of connecting in a new way!
\$200

Academic Chess (Grades K-5)

Enhance your student's strategic thinking and concentration with our Chess Program! We turn learning chess into an exciting adventure with engaging stories, fun dances, and catchy songs. Each participant receives a special Academic Chess workbook and earns rewards for good sportsmanship. The program ends with a tournament where students can apply their skills. Our curriculum boosts critical thinking, problem-solving, and mental discipline while ensuring lots of fun. All skill levels are welcome! For more information, email losangeles@academicchess.net.
\$270

Fridays

electriKIDS Hip Hop with Coach Kristen (Grades K-2)

Get ready to turn up the energy and have a blast with Coach Kristen in this fun hip hop dance class! Students will learn the freshest grooves, from basic choreography to viral TikTok dance crazes, and even bust out some hip hop line dances. The season will wrap up with a performance, so bring your fans and show off your new moves!
\$190

Dapplegray Elementary School

Mondays

Draw, Paint, and Create the Magic of Winter with Afi from Draw Dreams (Grades K-5)

Join us for a magical season of winter-inspired art and crafts, with a new frosty project each week! Students will enjoy drawing snowy scenes and glistening snowflakes, bringing Arctic animals like polar bears and penguins to life, and experimenting with different art techniques like pencils, pastels, and watercolors. We'll also create cozy cabins, mystical Northern Lights, and festive holiday cards and ornaments to share with family and friends. By the end of the program, your child will have a collection of artwork and crafts to showcase in a special mini gallery. Let's embrace the winter wonderland – PV style!

\$300

Lunada Bay Elementary School

Mondays

LEGO WeDo 2.0 Robotics with Mrs. Csabai (K-2)

Join Mrs. Csabai's Lego WeDo 2.0 Robotic Enrichment Class, where creativity and technology come together! In this fun and hands-on class, students will use Lego WeDo 2.0 kits to design and program their own robots, learning basic engineering concepts and coding skills. Students will collaborate in teams to solve challenges, explore STEM topics, and bring their imaginative ideas to life in a supportive, engaging environment. This class empowers students to apply their creativity in real-world problem-solving while exploring technology and innovation!
\$230

Wednesdays

Draw, Paint, and Create the Magic of Winter with Afi from Draw Dreams (Grades K-5)

Join us for a magical season of winter-inspired art and crafts, with a new frosty project each week! Students will enjoy drawing snowy scenes and glistening snowflakes, bringing Arctic animals like polar bears and penguins to life, and experimenting with different art techniques like pencils, pastels, and

watercolors. We'll also create cozy cabins, mystical Northern Lights, and festive holiday cards and ornaments to share with family and friends. \$270

Mira Catalina Elementary School

Mondays

STEM – VEX Engineering Level II with Mrs. Thomas (Grades 3-5)

In this hands-on class, students will build on the skills they learned in the STEM – VEX Engineering Level 1 class. They will CREATE, TEST, SHARE, and EXPLORE while learning block coding and exciting design concepts tailored for students in grades 3-5. Students will even design their own parts using a 3D printer! The program concludes with an action-packed robot competition where students will code and compete with their own robots. **This class is for returning students who have completed Level 1.**

\$220

Tuesdays

Academic Chess (Grades K-5)

Enhance your student's strategic thinking and concentration with our Chess Program! We turn learning chess into an exciting adventure with engaging stories, fun dances, and catchy songs. Each participant receives a special Academic Chess workbook and earns rewards for good sportsmanship. The program ends with a tournament where students can apply their skills. Our curriculum boosts critical thinking, problem-solving, and mental discipline while ensuring lots of fun. All skill levels are welcome! For more information, email losangeles@academicchess.net.

\$270

Wednesdays

STEM – VEX Engineering Level I with Mrs. Thomas (Grades 3-5)

Science, Technology, Engineering, and Mathematics (STEM) education empowers students to explore the physical world around them. In this class, students will engage in the engineering design process through CREATING, TESTING, SHARING, and EXPLORING while learning coding and design concepts. They will work with VEX GO, VEX IQ, and other engineering tools to bring their ideas to life. Students will use snap-together robotics systems to build robotics from the ground up, allowing beginners to quickly experience success, while still providing exciting challenges.

\$220

Lacrosse Skills & Fun for All Levels with Spring Training (Grades K-5)

Grab a lacrosse stick and dive into the fastest-growing sport in Palos Verdes and across the country! Coach Marissa Hewitt (PVHS, Beach Head Lacrosse, Spring Training Sports) and her skilled staff will guide players in mastering the fundamentals of throwing, catching, cradling, and stick skills while having fun and staying safe. Whether you're a beginner or a returning player, you'll develop your game through drills, scrimmages, and personalized coaching. Players will be grouped by experience and skill level, with a minimum of two coaches per session to ensure individual attention. No prior experience or equipment is needed — we provide everything! PLAY HARD, HAVE FUN, and discover why lacrosse is a sport that everyone is talking about!

\$300

Thursdays

Welcome Spanish! (Grades K-5)

Discover the joy of learning Spanish in our fun and engaging class! Students will explore Spanish through interactive games, festive crafts, story time, and songs. The *Welcome Spanish!* curriculum integrates auditory, visual, and kinesthetic learning styles to effectively engage every student. Kids will enhance their Spanish skills through activities like Bingo and Simon Says. Consistent practice and exposure help students improve and gain proficiency. New and returning students are welcome!

\$300

Fridays

STEM – Exploring Through Engineering I with Mrs. Thomas (Grades K-2)

In this hands-on STEM class, students will explore the engineering design process through CREATING, TESTING, SHARING, and EXPLORING, while learning coding and design concepts tailored for kindergarten through second grade. Students will work with Ozobots (small, smart robots that teach coding through interactive play) as well as Wonderbots (custom-built robots), and other engineering tools to bring their ideas to life.

\$220

Montemalaga Elementary School

Mondays

electriKIDS Disney Dance with Coach Kristen (Grades K-2)

Join the fun and dance to beloved Disney songs from classics like *Aladdin*, *Beauty and the Beast*, *Frozen*, *The Lion King*, *Encanto*, and more! Under the guidance of Coach Kristen, students will learn basic

choreography, explore creative movement, and practice stage direction. Of course, singing along to these timeless Disney hits is highly encouraged!

\$190

Tuesdays

Musical Theater for Grades K-2 with Ms. Brown (Grades K-2)

In this exciting class, students will explore the joys of dancing, singing, and acting, culminating in a performance of one musical theater routine that celebrates their progress. No prior experience is needed; however, students who take this class should have an interest in performing a dancing and singing routine. Join us for a fun-filled journey into the world of performing arts!

\$220

Academic Chess (Grades K-5)

Enhance your student's strategic thinking and concentration with our Chess Program! We turn learning chess into an exciting adventure with engaging stories, fun dances, and catchy songs. Each participant receives a special Academic Chess workbook and earns rewards for good sportsmanship. The program ends with a tournament where students can apply their skills. Our curriculum boosts critical thinking, problem-solving, and mental discipline while ensuring lots of fun. All skill levels are welcome! For more information, email losangeles@academicchess.net.

\$270

Wednesdays

Musical Theater for Grades 3-5 with Ms. Brown (Grades 3-5)

Unlock your student's potential with our exciting performing arts class designed for students in grades 3-5! In this engaging program, students will explore dancing, singing, and acting, culminating in a special performance that showcases their hard work. No previous training is required. The focus will be fostering teamwork and, most importantly, having a blast performing for a live audience during the last 15 minutes of the final class of the session.

\$220

Welcome Spanish! (Grades K-5)

Discover the joy of learning Spanish in our fun and engaging class! Students will explore Spanish through interactive games, festive crafts, story time, and songs. The *Welcome Spanish!* curriculum integrates auditory, visual, and kinesthetic learning styles to effectively engage every student. Kids will enhance their Spanish skills through activities like Bingo and Simon Says. Consistent practice and exposure help students improve and gain proficiency. New and returning students are welcome!

\$300

Thursdays

Keep Calm and Clay On with Mrs. Duncan (Grades K-2)

In this creative pottery class, students will sink their hands into the squishy, moldable world of clay and explore a variety of fun pottery techniques! They will shape pinch pots and coil pots, design textured plaques with cool impressions, create funky wall vases, and sculpt silly fish! There will also be opportunities for students to design their own unique projects, using the skills they've learned.

Returning students can get even more creative, building on their skills and creating new treasures to cherish. Everything is fired and glazed, bringing one-of-a-kind masterpieces to life! By the end of the program, your child will have a collection of unique pottery pieces that showcase their imagination and new skills!

\$220

Fridays

Lacrosse Skills & Fun for All Levels with Spring Training (Grades K-5)

Grab a lacrosse stick and dive into the fastest-growing sport in Palos Verdes and across the country! Coach Marissa Hewitt (PVHS, Beach Head Lacrosse, Spring Training Sports) and her skilled staff will guide players in mastering the fundamentals of throwing, catching, cradling, and stick skills while having fun and staying safe. Whether you're a beginner or a returning player, you'll develop your game through drills, scrimmages, and personalized coaching. Players will be grouped by experience and skill level, with a minimum of two coaches per session to ensure individual attention. No prior experience or equipment is needed — we provide everything! PLAY HARD, HAVE FUN, and discover why lacrosse is a sport that everyone is talking about!
