

PENINSULA EDUCATION FOUNDATION

For 46 years, Peninsula Education Foundation has supported PVPUSD students and schools by funding teachers and programs that directly impact the quality of education. From the first day of TK through high school graduation, PEF is there every step of the way. Thank you to everyone who invested in our award winning schools for the 2024–25 school year. PEF also extends its gratitude to the following Major Donors for their contributions this year.
