

Fall 2026 Enrichment Classes

Session Dates & Schedule Notes

September 14 – November 20, 2026 (10 weeks, except Mondays and Wednesdays, which are 9 weeks)

Make-up week: November 30

No class on **Monday**, Sept. 21

No class on **Wednesday**, Nov. 11

Cornerstone Elementary School

Mondays

Colorful Fall Art Adventure with Mrs. Afi / Draw Dreams (Grades TK–5), 1:35–2:35 PM

Taught by professional artist Mrs. Afi, young artists will explore the beauty, colors, and inspiration of the autumn season through drawing, painting, sculpture, collage, and mixed-media projects. Students will create colorful fall landscapes, seasonal animals, imaginative characters, and nature-inspired artwork while learning about famous artists and their unique styles.

Each project is designed to encourage creativity, self-expression, artistic confidence, and age-appropriate art skills. Students will experiment with warm fall colors, textures, shapes, and a variety of art materials as they create their own fall masterpieces.

There will be no class on Monday, September 21. This class will meet for 9 sessions.

Location: MPR

\$290

Try & Play Lacrosse with Spring Training (Grades 1–5), 1:35–2:35 PM

Come pick up a lacrosse stick and discover one of the fastest-growing sports in the country! PV's favorite coaches from Spring Training Sports will teach students foundational lacrosse skills, including throwing, catching, cradling, and stick skills. Through fun drills, games, and activities, students will build their skills and confidence and work their way up to scrimmaging by the end of the session.

All activities will prioritize player safety, maximize participation, and, most importantly, amplify FUN! Try a new sport, have fun with friends, and see why lacrosse is generating so much excitement, from Palos Verdes to the LA28 Olympics! No experience or equipment necessary.

There will be no class on Monday, September 21. This class will meet for 9 sessions.

Location: Field

\$270

Tuesdays

Sports Mash-Up with Coach Niko (Grades 3–5), 3:05–4:05 PM

Sports Mash-Up introduces students to a variety of sports and team games, including soccer, basketball, pickleball, flag football, and more. Students will practice fundamental skills, learn the basics of each sport, and build teamwork and sportsmanship through active play. With a mix of activities throughout the session, students will have opportunities to try something new, develop their skills, and have fun playing with friends.

Coach Niko grew up in Palos Verdes and has spent the past five years coaching youth ice hockey. He works in financial services and enjoys giving back to the community. He is excited to join PEF Enrichment and share his love of sports while helping students build skills and confidence.

Location: Field

\$270

STEM Makerspace with Mr. Kono (Grades 3–5), 3:05–4:05 PM

Join Mr. Kono for a hands-on STEM Maker Space where students can build, design, experiment, and create! Each week, students will work with a variety of materials, including LEGO, cardboard, clay, wood crafts, and more. A mix of creative challenges, structured projects, and open-ended building gives students the freedom to test their ideas and find new ways to bring them to life. Students may also use child-friendly hand tools for cardboard and wood projects. This creative class encourages problem-solving, imagination, and hands-on building skills.

Location: Room 16

\$270

Wednesdays

Inhale/Exhale: Yoga & Art Studio with Mrs. Catlin and Ms. Irwin (Grades 2–5), 3:05–4:05 PM

This class combines yoga and art using the Breathe and Learn Curriculum. Students will practice age-appropriate yoga poses and movement designed to build strength, balance, flexibility, and body awareness. Each class also includes a creative art project that gives students an opportunity to explore different materials and express their ideas. Through a combination of movement, mindfulness, and hands-on art, students will develop healthy ways to relax, focus, and be creative.

There will be no class on Wednesday, November 11. This class will meet for 9 sessions.

Location: Learning Lab – Room 5

\$310

Money Matters: A Financial Literacy Adventure with Ms. Buchholz (Grades 3–5), 3:05–4:05 PM

In this hands-on class, students will explore financial literacy through engaging activities and concepts adapted from curriculum Ms. Buchholz has taught with GATE students. Students will learn about earning, saving, budgeting, smart spending, and investing, then put their knowledge to work through games, real-world scenarios, and a pretend-money stock market simulation. Along the way, students will set a savings goal, build a budget, and track their own “stock” while developing practical money skills and learning how financial decisions work in the real world.

There will be no class on Wednesday, November 11. This class will meet for 9 sessions.

Location: Room 12

\$245

Thursdays

Pop Stars with Coach Kristen (Grades 1–5), 3:05–4:05 PM

If you dream of pop stardom, this class is for you! Choose one of your favorite songs and create your own lip-sync performance while learning dance choreography and stage presence. Perform with friends or take the stage solo and get creative by choosing a stage name and planning a costume to complete your pop-star persona. At the end of the session, students will put it all together in a special performance for family and friends!

Location: MPR

\$270

Creative Writing with Miss Cassandra (Grades 3–5), 3:05–4:05 PM

Students will explore creative writing through engaging prompts, genres, and writing activities designed to spark imagination and bring their ideas to life. Writers will experiment with poetry, short stories, comics, and other forms while developing their own voices and strengthening their storytelling skills. Guided writing time will help students generate ideas, develop characters and stories, revise their work, and build confidence as writers. By the end of the session, each student will complete a polished piece of their choice. All levels of writing experience are welcome.

Location: Sunshine Deck

\$270

Fridays

Academic Chess (Grades K–5), 3:05–4:05 PM

Students will learn the game of chess through playful, age-appropriate lessons using stories, movement, and music to make each concept fun and easy to understand. Through

these engaging lessons and friendly gameplay, students will strengthen their critical thinking and problem-solving skills while developing greater focus and confidence. Each student receives an Academic Chess workbook, has opportunities to earn sportsmanship prizes, and participates in the exciting final-day Big Tournament, where every student receives a prize. New and experienced players are welcome, and students are grouped by age and experience. Depending on class size, instruction may be led by one or two Academic Chess instructors. For questions, please contact Academic Chess at (818) 850-1114 or losangeles@academicchess.net.

Location: MPR

\$270

Agility and Fitness with Spring Training (Grades 1–2), 2:40–3:40 PM

Run, jump, spin, and roll! This fun class keeps kids moving while building skills that improve coordination, speed, strength, and confidence. These skills learned can be applied across a variety of sports and complement sport-specific training. Come move with Spring Training!

Location: Field

Mondays

Spanish with Mamá Maestra (Grades TK–K), 1:15–2:00 PM

Students will learn Spanish through interactive games, movement, stories, songs, and hands-on activities that make learning a new language engaging and fun. Designed especially for young learners, this class introduces Spanish through play while building comfort with new words and phrases. Students will develop early communication skills, confidence, and cultural awareness in an interactive and supportive setting. No prior Spanish experience is needed.

Mamá Maestra is a Spanish enrichment program developed by Pilar Martín DeNardo, a native of Spain with a master's degree in Bilingual Education and over 20 years of elementary teaching experience. Her program inspires children to learn Spanish through fun, engaging, and interactive classes.

There will be no class on Monday, September 21. This class will meet for 9 sessions.

Location: Library

\$290

Spanish with Mamá Maestra, (Grades 1–2), 1:35–2:35 PM

Students will learn Spanish through interactive games, movement, stories, songs, and hands-on activities that make learning a new language engaging and fun. Students will build their Spanish vocabulary and begin using words and phrases through age-appropriate activities and conversation. Students will develop communication skills,

confidence, and cultural awareness in an interactive and supportive setting. New and returning Spanish learners are welcome.

Fashion Design with Mr. Juan (Grades 1–5), 1:35–2:35 PM

In this hands-on class, students will create their own 12-inch couture collection, from fashion sketches to finished garments. Young designers will experiment with fabrics, colors, textures, hairstyles, and accessories while learning basic fashion design concepts and developing their own creative style. The session ends with a fashion show to showcase their creations. Each student will take home a fashion model doll along with the garments and sketches created during the class.

Mr. Juan holds a BFA in Illustration from Pratt Institute and has extensive experience in fashion, illustration, and design. He worked as a promotion designer for *Seventeen* magazine and as a fashion sketch artist for the fashion and beauty industries, including L'Oréal. He taught at FIDM for two decades and has also taught with MBUSD and PVPUSD. Mr. Juan is a popular instructor with Dapplegray's Arts Alive program, where students have enjoyed his hands-on fashion design experience.

There will be no class on Monday, September 21. This class will meet for 9 sessions.

Location: Court 26

\$245

Clay and Play with Mrs. Tamsin (Grades 3–5), 1:35–2:35 PM

In this hands-on clay class, students will turn their ideas into three-dimensional works of art while learning foundational ceramic techniques. Artists will explore coiling, slab building, texturing, and glazing as they plan, shape, and refine their creations. Creative projects will give students opportunities to experiment with clay, develop new skills, and express their individual style. From playful creatures and imaginative sculptures to functional pottery, students will bring their own unique ideas to life. All materials are included.

There will be no class on Monday, September 21. This class will meet for 9 sessions.

Location: Art Room

Location: MPR

\$270

Cartoon Club with Mrs. Lloyd (Grades 1–2), 2:40–3:40 PM

Love *Dog Man* or *Elephant & Piggie*? In Cartoon Club, students will learn how to develop an idea, create an original character, draw a cartoon-strip, and write an adventure to go with it. Students will look at popular cartoons for inspiration before bringing their own characters and stories to life.

Mrs. Lloyd is a first-grade teacher who has always loved drawing and is excited to share that creativity with young artists. She looks forward to helping students develop memorable characters and create original stories to go with them.

Location: Court 11

\$270

Creative Writing with Miss Cassandra (Grades 3–5), 3:05–4:05 PM

Students will explore creative writing through engaging prompts, genres, and writing activities designed to spark imagination and bring their ideas to life. Writers will experiment with poetry, short stories, comics, and other forms while developing their own voices and strengthening their storytelling skills. Guided writing time will help students generate ideas, develop characters and stories, revise their work, and build confidence as writers. By the end of the session, each student will complete a polished piece of their choice. All levels of writing experience are welcome.

Location: Court 26

\$270

Learning the Persian Language with Ms. Mojgan (Grades 2–5), 3:05–4:05 PM

In this small-group class, students will be introduced to the Farsi (Persian) language and culture through interactive, hands-on learning. Using a Farsi-English booklet created by the instructor, students will learn to recognize and write letters of the Persian alphabet, practice vowel sounds, and become familiar with reading and writing from right to left. Games, flashcards, and guided speaking activities will introduce basic conversational skills and vocabulary, including numbers, colors, fruits, and animals. The class will also explore Persian culture through Mehregan, the ancient Persian Autumn Festival, along with crafts, traditional foods, and celebrations.

Ms. Mojgan has taught Farsi for five years and is passionate about sharing the Persian language and culture with children. She developed her own Farsi-English workbook specifically to support young learners and uses interactive activities to make language learning engaging and accessible.

Location: Library

Wednesdays

Clay and Play Beginners with Mrs. Tamsin (Grades TK–2), 2:40–3:30 PM

In this hands-on beginner clay class, young artists will explore the basics of working with clay through fun, creative projects. Students will learn simple techniques such as pinching, coiling, and sculpting while creating colorful pieces like animal friends, mini pots, and imaginative sculptures. Each session encourages creativity, fine motor development, and artistic confidence. All materials are provided, and students will take home their finished creations to proudly display.

There will be no class on Wednesday, November 11. This class will meet for 9 sessions.

Location: Art Room

\$245

Reader's Theatre with Mrs. Lloyd (Grade 1), 2:40–3:40 PM

Boost your first grader's reading skills and phonics practice in a fun, small group setting! Taught by Dapplegray's own first-grade teacher, Ms. Lloyd, students will bring stories to life using short play scripts featuring phonics patterns they are learning in the classroom.

Students will read aloud, take on different roles, and work together as a cast while building fluency, confidence, and communication skills. The small-group setting provides plenty of opportunities to practice reading while having fun with friends and making new ones.

There will be no class on Wednesday, November 11. This class will meet for 9 sessions.

Location: Court 11

\$245

Books Alive! with Mrs. Samera (Grade 2), 2:40–3:40 PM

Tailor-made for second graders and taught by Dapplegray's own second-grade teacher, Ms. Samera, this small-group class turns reading into an adventure. Each week, students will enjoy hands-on projects that connect Language Arts, Social Studies, Science, and Art through creative writing, dramatic play, arts and crafts, and more—all designed to spark imagination, deepen understanding, and make reading fun!

There will be no class on Wednesday, November 11. This class will meet for 9 sessions.

Location: Court 10

\$245

STEM – VEX Engineering with Ms. Thomas (Grades 3–5), 3:05–4:05 PM

Get ready to design, build, test, and explore! In this hands-on STEM class, students will take on engineering challenges using VEX GO, VEX IQ, and other building materials and technology. Through a variety of projects, students will experiment with their ideas, solve problems, make improvements, and work together to find creative solutions. No previous engineering or robotics experience is needed. Projects are designed to engage and challenge students at all experience levels.

There will be no class on Wednesday, November 11. This class will meet for 9 sessions.

Location: Room 21

\$245

Singing and Stage Performance with Mrs. Anderson (Grades 3–5), 3:05–4:05

Find your voice and build confidence on stage! In this class, students will develop their singing and performance skills while learning how to connect with an audience and feel comfortable performing in front of others. Students will receive individual guidance from Ms. Anderson while also practicing and collaborating with classmates. The session will culminate in a talent showcase where each student will have the opportunity to take the stage and perform.

There will be no class on Wednesday, November 11. This class will meet for 9 sessions.

Location: MPR

\$245

Thursdays

Reader's Theatre with Mrs. Lloyd (Grade 2), 2:40–3:40 PM

Build your second grader's reading fluency and expression in a fun, small-group setting! Students will bring stories to life through engaging play scripts that strengthen reading comprehension, vocabulary, and oral reading skills. Students will read aloud, take on different roles, and work together as a cast while developing fluency, confidence, and communication skills. The small-group setting provides plenty of opportunities to practice reading while having fun with friends and making new ones.

Location: Court 11

\$245

Fridays

Hip Hop with Coach Kristen from electriKIDS (Grades 2–5), 3:05–4:05 PM

Come move n' groove with Coach Kristen! Students will learn fun dance choreography, popular hip-hop line dances like the "Cha Cha Slide," and some of today's favorite dance trends. The class is all about movement, music, and building confidence while learning routines together. The session will wrap up with a special performance for family and friends!

Coach Kristen, Director of electriKIDS, has been bringing high-energy movement and dance programs to PVPUSD students for 25 years!

Wednesdays

Move, Play & Namaste with Coach Christina from South Bay Kids Yoga (Grades TK–5), 3:05–4:05 PM

Join us for a yoga adventure where kids can move, play, and relax! This upbeat class combines kid-friendly yoga poses, music, movement games, imaginative activities, and mindfulness to help children build strength, balance, confidence, and focus. Classes may include partner yoga, storytelling, freeze dance, fun props, breathing exercises, and a calming relaxation to end the day. New and experienced yogis are welcome in this supportive, non-competitive class. Come move, play, and say “Namaste!”

Christina is a certified yoga instructor returning for her second year teaching in PVPUSD with South Bay Kids Yoga. She combines yoga, music, movement, games, and mindfulness to help children build confidence, coordination, and a love of staying active.

There will be no class on Wednesday, November 11. This class will meet for 9 sessions.

Location: MPR

\$270

Thursdays

Cheerleading with Coach Brandi (Grades 1–5), 3:05–4:05 PM

Join Coach Brandi for cheerleading for students in grades 1–5! Students will learn cheer fundamentals, including basic positions, cheers, chants, and cheer dance choreography, while building confidence, teamwork, and performance skills. Students will have opportunities to showcase what they’ve learned at school and community events. No prior cheer experience is needed.

This year-long program is offered across the Fall, Winter, and Spring Enrichment sessions, with registration held separately for each session.

Coach Brandi is excited to return for her second year teaching cheerleading at Lunada Bay. She loves helping students build confidence, learn new skills, and experience the joy of being part of a team.

Mondays

STEM Discovery Lab with Ms. Hale (Grades K–2), 1:35–2:35 PM

Each week, students will step into the role of scientists, engineers, inventors, and explorers as they take on a new STEM challenge through hands-on experiments, creative building, and teamwork. Students will explore chemistry, physics, earth science, environmental science, and real-world STEM challenges while developing problem-solving skills and creativity. Whether your child already loves science or is just beginning to ask “why?”, STEM Discovery Lab is a great place to explore, experiment, and discover.

Ms. Hale is excited to return for her second year of STEM Discovery Lab. She loves creating a classroom where curiosity, creativity, and hands-on exploration inspire students to think like scientists, test their ideas, and discover how the world works.

There will be no class on Monday, September 21. This class will meet for 9 sessions.

Move, Play & Namaste with Coach Christina from South Bay Kids Yoga (Grades TK–5), 3:05–4:05 PM

Join us for a yoga adventure where kids can move, play, and relax! This upbeat class combines kid-friendly yoga poses, music, movement games, imaginative activities, and mindfulness to help children build strength, balance, confidence, and focus. Classes may include partner yoga, storytelling, freeze dance, fun props, breathing exercises, and a calming relaxation to end the day. New and experienced yogis are welcome in this supportive, non-competitive class. Come move, play, and say “Namaste!”

Christina is a certified yoga instructor returning for her second year teaching in PVPUSD with South Bay Kids Yoga. She combines yoga, music, movement, games, and mindfulness to help children build confidence, coordination, and a love of staying active.

Mondays

Soccer with Coach Shadow (Grades 1–5), 1:35–2:35 PM

Soccer Training with Coach Shadow is designed to help young players develop their skills, confidence, and understanding of the game. Players will work on ball mastery, dribbling, passing, first touch, shooting, coordination, and soccer IQ through engaging drills and game-based activities. Whether your child is new to soccer or looking to take their game to the next level, each session offers an opportunity to learn, improve, and enjoy the game.

Coach Shadow is a former college soccer player, experienced youth coach, and soccer director who is passionate about developing young athletes. We're excited to welcome Coach Shadow to PEF Enrichment and give students the opportunity to learn from her experience as a player and coach!

There will be no class on Monday, September 21. This class will meet for 9 sessions.

For the Love of Drumming with Mr. Schiedermayer (Grades 3–5), 1:35–2:35 PM

Discover the exciting world of drumming while exploring the connections between rhythm, math, and cultures around the world! Students will learn essential percussion techniques and explore rhythms ranging from Afro-Cuban beats to modern rock. Through drum circles, coordination exercises, group compositions, and hands-on jam sessions, students will build focus, teamwork, and musical confidence. They'll even discover the math behind rhythm by using beats to explore fractions and patterns. No prior musical experience is required, just come ready to drum!

Mr. Schiedermayer is a professional drummer and educator with 17 years of experience as an NBA lead percussionist and co-band leader, international USO/DOD touring experience, and 10 years as a PVPUSD percussion coach. He has performed alongside Rock & Roll Hall of Fame inductees and Grammy nominees and was named Mentor of the Year at A Place Called Home. We are excited to welcome Mr. Schiedermayer to PEF Enrichment this year!

Art Class with Ms. Stella Noelle Osemeka (Grades 3–5), 3:05–4:05 PM

Let your imagination take the lead in Art Class! Students will explore drawing, painting, pastels, collage, and canvas while experimenting with color, texture, and different artistic techniques. This fall, we'll also get hands-on with air-dry clay projects and discover the eye-catching world of optical illusion art! Each class gives young artists the chance to try something new, express their own style, and create original artwork they'll be excited to bring home.

Ms. Stella is thrilled to return for her second year teaching Art with PEF Enrichment at Point Vicente! She loves inspiring young artists to experiment, use their imaginations, and bring their creative ideas to life. Get ready for lots of creativity and fun!

Learning the Persian Language with Ms. Mojgan (Grades 3–5), 3:05–4:05 PM

In this small-group class, students will be introduced to the Farsi (Persian) language and culture through interactive, hands-on learning. Using a Farsi-English booklet created by the instructor, students will learn to recognize and write letters of the Persian alphabet, practice vowel sounds, and become familiar with reading and writing from right to left. Games, flashcards, and guided speaking activities will introduce basic conversational skills and vocabulary, including numbers, colors, fruits, and animals. The class will also explore Persian culture through Mehregan, the ancient Persian Autumn Festival, along with crafts, traditional foods, and celebrations.

Ms. Mojgan has taught Farsi for five years and is passionate about sharing the Persian language and culture with children. She developed her own Farsi-English workbook specifically to support young learners and uses interactive activities to make language learning engaging and accessible.

There will be no class on Wednesday, November 11. This class will meet for 9 sessions.

Thursdays

Intro to Chamber Music with Ms. Perry and Mr. Patino (Grades 3–5), 3:05–4:05 PM

Take your music skills to the next level in a fun, interactive group setting! This class gives students the chance to play exciting music with friends in small ensembles, where every musician gets to be an important part of the group. Students will build confidence, teamwork, listening skills, and musicianship while learning how to create music together. Unlike a traditional large band or orchestra, these smaller groups give students more opportunities to play, share ideas, collaborate, and connect with other young musicians.

Band, string, piano, and percussion/drum students are all welcome! Students should have at least one year of experience on their instrument. Students are required to bring their own instruments with the exception of piano. Keyboards are available to students with experience playing the piano or keyboard. Come make new friends, play great music, and discover how much fun making music together can be!
